A Day at Sunny Farm (A1)

Welcome to Sunny Farm! There are many happy animals here. The cows stay in the field and eat fresh grass. The horses live in the stable and enjoy running every day. The chickens live in the henhouse. Every morning they lay fresh eggs. The ducks swim in the pond and play in the water. The sheep stay together and eat grass in the field. The rabbits live in small hutches. They love eating carrots and vegetables. The farmer works hard every day to take care of all the animals. He gives them food, water, and a safe place to live. Everyone on Sunny Farm is happy!
