A Busy Morning on the Farm (A1)

Every morning, Emma wakes up at seven o'clock. She helps her grandfather on the farm before school.

First, she gives food to the chickens. They are hungry and eat corn. Then she takes fresh water to the ducks. The ducks swim happily in the small pond.

Next, Emma feeds the pig with vegetables. The pig is always very hungry. The horse eats hay in the stable, and the cow eats fresh grass in the field.
